 The ACCOUNT BALANCE will be withdrawn from your designated bank account on the date indicated on each billing statement.

PLAN 2 Equal Payment Through Pre-authorized Chequing for Residential Customers
 Your estimated annual charges are split into 11 equal monthly payments that will be withdrawn from your designated bank account on the date you select below, followed by an account reconciliation payment/credit in the 12th month. To ensure the plan is consistent with customer usage, Alectra Utilities conducts a mid-year review to ensure that the monthly payment amount accurately reflects each participating customer's consumption patterns and charges. If there is a significant difference Alectra notifies customers if a change to their monthly payment amount is required.

Please check payment withdrawal date: 1st or 15th day of the month.
